

NEWTONHILL, MUCHALLS and CAMMACHMORE COMMUNITY COUNCIL.

Due to COVID restrictions the 44th AGM of NMCCC was held via email during June 2021

APOLOGIES – None.

MINUTE of 43rd AGM – Accepted

MATTERS ARISING - None

CHAIR'S REPORT – Mr Morgan presented the Chair's Report. For the second year we have had a virtual AGM. The Community Council has continued to work hard over the year though no face-to-face meetings have been held due to coronavirus restrictions. We have dealt with planning applications, the Local Development Plan. A Locality Plan for the whole Community Council area was developed and forwarded to Aberdeenshire Council. We have also done our best to have road repairs done, footpaths upgraded, repairs to the tennis courts and the possible re-opening of the underpass from Newtonhill to Cammachmore. We hope to see potholes repaired soon and protection of green spaces.

The Local Development Plan – We hope to make sure that the development on the Moor does not impact negatively on the amenities of our green spaces. Also needed are improved facilities and services for residents.

Mr Morgan thanked all Community Councillors for their input over the year, Police Scotland for regularly sending a representative to meetings and also the three Aberdeenshire Councillors who regularly attend. Special thanks to the Secretary and Treasurer

TREASURER'S REPORT – Mr Ewing presented the Treasurer's Report. Not much to report. We received our annual grant from Aberdeenshire Council - £799. Expenses were £455.30 leaving a surplus of £344.91. We also administered the Phoenix Fund grant of £5,000. At 31st March 2021 there was £2,591.99 in hand. Total funds £3,754.35.

Thanks to Mr Ewing for looking after Community Council's funds and to Mr MacNair for verifying the accounts.

Accounts proposed – Mr Flockhart, seconded – Mr Cruickshank.

RETURNING OFFICER'S REPORT – As there were fewer nominees than vacancies all nominees were duly elected – Alison Daniels, George Ewing, Alan Jones, Peter Flockhart, Edith Stephen

AOCB – None.
